# PRINCE OF PEACE

WORDS AND MUSIC BY ARLINGTON JONES  
RAP WRITTEN BY DJ LAW

Prince of Peace | You are a Wonderful Counselor | Prince of Peace | You got it going on, on and on  
Prince of Peace | You are a Wonderful Counselor | Prince of Peace | You really got it going on and on and on  
Doo, doo, doo, .....

You got it going on | You got it going on | The Prince of Peace You got it going on | Forever on  
Now, I will not live | Live just for myself | But I'll live for you | And through my life, O Most High,  
I'll always love you | So I promise You

RAP: Prince of Peace | Spirit groove | So smooth like satin sheets | Guard your heart and mind  
Cause those swirling winds to cease | I'd freeze if you stop leading me to see | You're Wonderful Counselor  
I cherish every ounce of ya | Pound for pound | The Greatest Kat around | You're the Most High  
That's why I worship You now in sound | So better play them keys, grease 'em Jones | The Prince is on His throne  
And He's got it goin' on and on

# RHYTHM WITHIN ME

WORDS AND MUSIC BY HOPE N. JONES

My life is a song within itself  
Melodies they flow around my mind  
Harmony it comes with every breath  
Music is the tempo of my heart

You are the rhythm within me

Can I sing to You  
And tell You how much You mean to me  
You've transposed my life  
And I am an instrument that plays for You  
Will You use me now  
To make a joyful noise around the world  
Wanna let them know  
You are the reason that I sing

Each day You compose a brand new tune  
Rest has come and it will never go  
Symphony so deep inside my soul  
Visions and my dreams become my truth

© Hope N. Jones for HopeAbound Music Publishing Co. BMI.

# CAN IT BE

WORDS AND MUSIC BY  
ARLINGTON JONES

Can it be | You are the one who was chosen  
Carefully | By Him who gives all life  
Can you be | For me  
What's the possibility you are for me  
I need to know if you're the one  
For me

I believe | Somewhere there is someone who  
Will complete in me | The things I need to fulfill  
My destiny | Together we'll be what each other needs  
I need to know if you're the one  
For me

You make me feel inside | Things I can't describe  
But even better | You believe the way I do  
I believe in miracles | I know that you do too  
Can it be a miracle | That God has brought me you  
Ooh, ooh

Can it be | Together we will be for  
Eternity | Do your eyes see what I see  
Can you be | For me  
What's the possibility you are for me  
I need to know if you're the one  
For me

Can it be | What's the possibility you are for me | I need to know if you're the one  
I believe | Somewhere will be my destiny | I need to know if you're the one  
For me
