## I'M HAPPY

Music by Arlington Jones II

If you ask me am I happy  
I will tell you I am, I am  
If you ask me am I happy  
I will tell you I am, I am

I am God's child and He made me  
I know He will take care of me

If you ask me am I happy  
I will tell you  
I am, I am, I am

## CALL ME LOVE

Words and music by Arlington Jones II

I will stay with you always never leave you 'lone  
'Cause your heart is precious to me  
You're the treasure of my life  
Diamond of my own  
Please let me give you what you need

Call me love, comforting  
I am love, adoring  
To you I sing  
Name is love, send for me  
When you need somebody  
I'm your peace

I am love  
If you ask me I will stay  
When you need me most I won't go  
Don't worry I'll stay with you forever and always

Just as sure as He's coming back for us  
Our covenant will last till dusk  
Just between me and you  
I know we'll keep it pure  
So intimacy is for sure

Imperative to be with you  
Together beautiful and true  
No doubt God wants us to be one  
And confess it to everyone

# Letter to the People

I was compelled to title this CD *Move The Heart* because of my studies of the books Ezra and Nehemiah in the Bible. As I reflect on when I first began the project, it's funny that almost an entire year has gone by. The time frame is very similar to my first CD. Though I desired a much shorter turnaround, it has once again taken time for everything to develop and for me to acquire valuable life lessons. Amazingly, I have seen in my life some of the same things that the people in Ezra and Nehemiah experienced. They needed to complete a great task and had great obstacles, but God moved the heart of others to help them and removed the obstacles on that occasion and many more. The situation always seemed impossible though soon changed through the least likely of people. I believe God did the same for me. I see now that *timing truly is everything!* During this production period, I have been able to see the definition of “*move the heart*” become a reality in my own life. God moved the heart of many people on my behalf, which ultimately allowed the project to be completed. Why did these people think of me? Why did they even care to help? What does it mean to move the heart? It means that your eyes have been opened to something. Your mind is turned to a specific thing. God put me in the heart of people who had exactly what I needed. He put it in their hearts to graciously help me with their resources. WOW! How astonishing! I am deeply humbled by the thought of it all. Now, my prayer is that your heart will be moved by this music. Moved to what you may ask? May your eyes be opened and your heart moved to God who gives joy, peace, love, comfort, healing or whatever you need in your life.

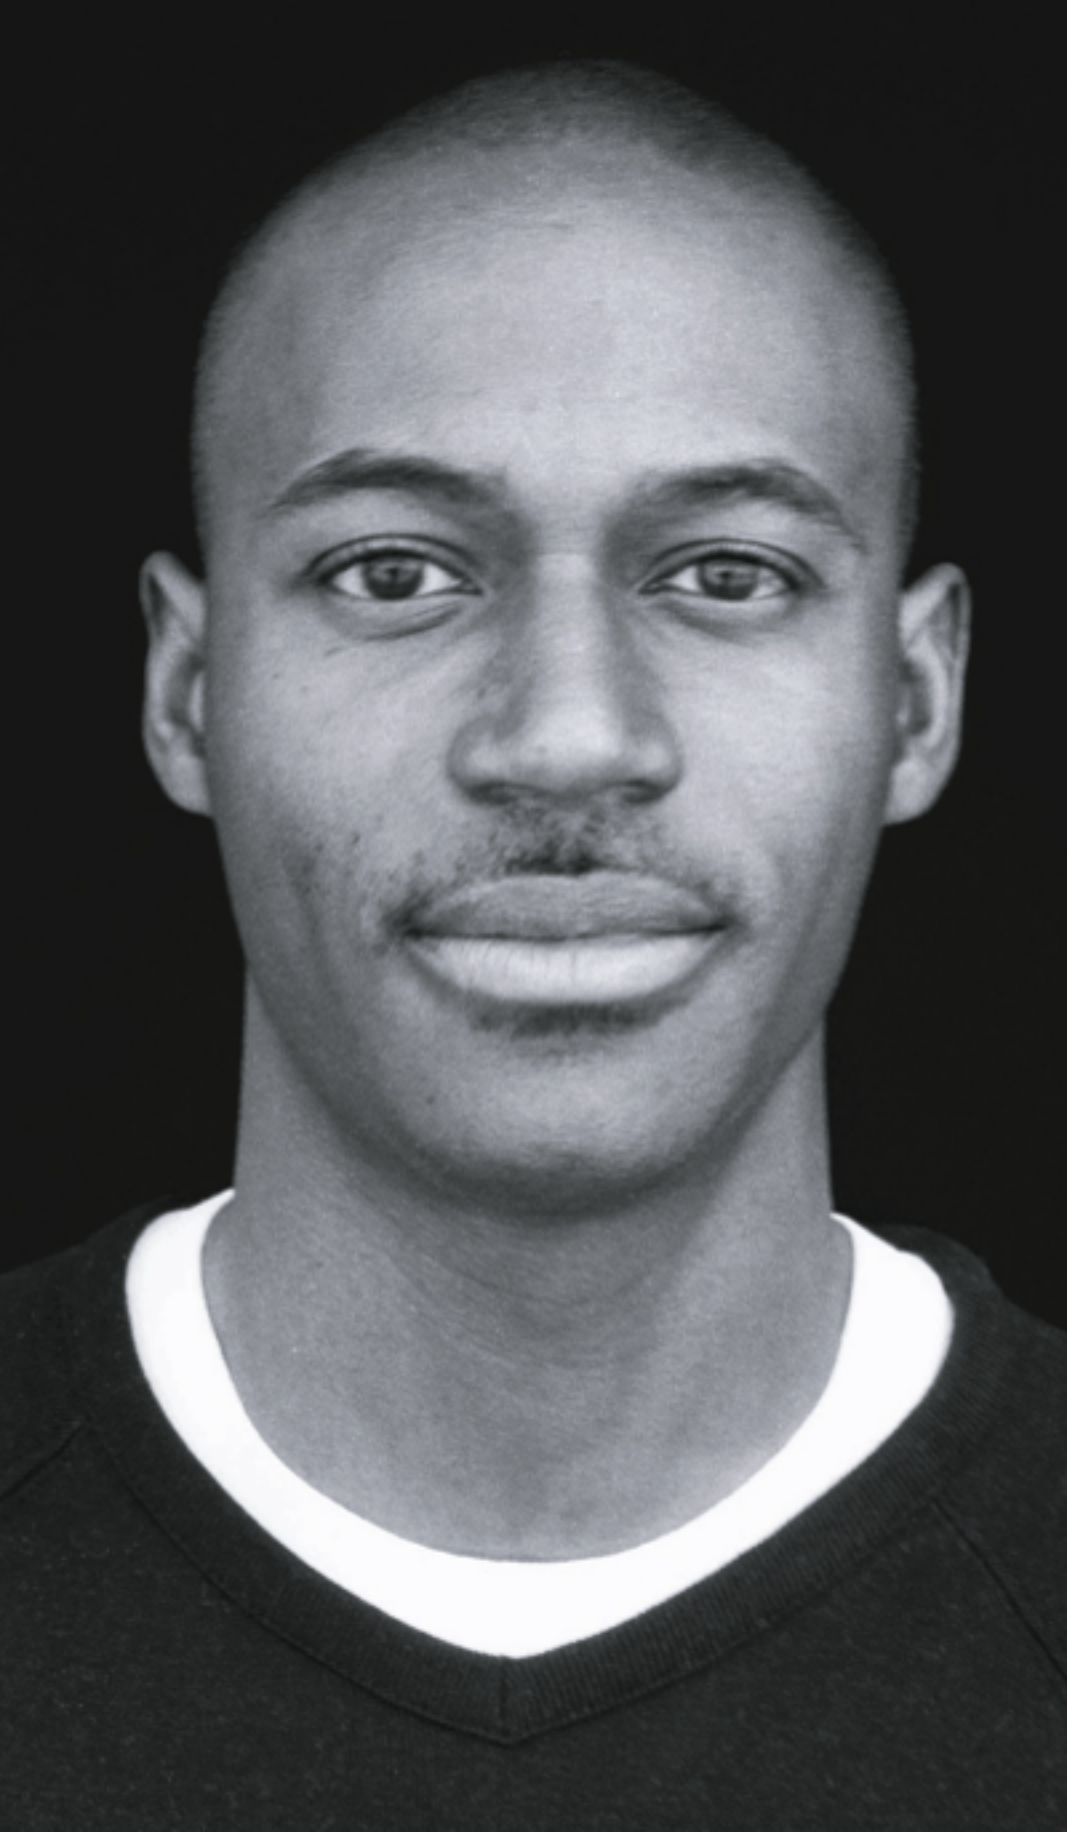

Sincerely,

Arlington J. Jones II
